WELCOME TO *Tequila Reef!*

Since April 10, 2009, we've been dedicated to crafting the most flavorful meals at the best possible prices. We source the finest local ingredients and carefully select imported essentials from the USA and Thailand when needed.

Cooking times:

All our meals are made from scratch. The average cooking time is 20 minutes, with some dishes taking up to 30 minutes. We appreciate your patience!

Take Out:

Leftover dishes are not charged for takeout packaging. Meals ordered to go have a P10 charge per box to cover packaging, napkins, and plastic utensils.

Kitchen Staff:

Our kitchen staff are trained to meet USA food service standards through specialized videos and training programs. They work diligently to uphold these standards in food handling. We use top-tier commercial refrigeration equipment, closely monitored for proper temperatures. Our kitchen is cleaned and sterilized daily, and all dishware and utensils are thoroughly sanitized after each use.

Complaints:

A manager, floor supervisor, or owner is always on duty. If you have a concern about your meal, please notify the manager or supervisor before eating. We will promptly address the issue or offer a replacement.

Staff drink policy:

Guests are welcome to treat our staff with drinks. The price is based on our standard menu rates for the selected drink, plus a P50 commission for the service staff member.

Parties of 6 people or more will be assessed a ten per cent service charge that goes directly to the staff.
